Application No. 933

Docket No. 322

Order No. 1702, served May 26, 1977, inter alia, scheduled further public hearing in the above-captioned proceeding to commence on Monday, June 20, 1977, and assessed applicant \$300 to cover the estimated cost of said hearing pursuant to the provisions of Title II, Article XII, Section 19 of the Compact.

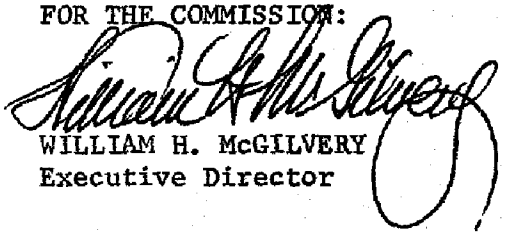

By motion (letter) filed June 17, 1977, applicant seeks an indefinite postponement of said hearing. In support of the motion it is alleged that applicant intends to seek authority to serve two points found to be beyond the scope of Application No. 933. Such application ". . . will be filed within a few days." Accordingly, applicant asserts that a consolidated hearing would be in the public interest and further the interest of administrative economy.

For good cause shown, the motion shall be granted.

THEREFORE, IT IS ORDERED:

1. That the further public hearing in the above-entitled proceeding, scheduled to commence June 20, 1977, be, and it is hereby, postponed until further order of the Commission.
2. That the time for delivering the above-referenced assessment be, and it is hereby, postponed until further order of the Commission.
3. That in all other respects, Order No. 1702, served May 26, 1977, shall continue in full force and effect.
